A320 REVALIDATION PROGRAM

A320 Revalidation program is aimed at those pilot candidates who wish to renew their A320 type rating on their licence before reaching the maximum validity date. We offer this program with two hours of verification with an examiner included in the A320 Level D FFS simulator.

It is important to keep all the documentation of a pilot up to date, and always be prepared for a new professional opportunity.

REQUISITOS DE ENTRADA

- EASA Commercial Pilot Licence with A320 Rating
- PBN certificate
- ICAO Level 4 English Certificate
- Class 1 Medical Certificate

SIMULATOR PHASE

- 1 FFS Level D A320 simulator session

This session consists of 2 hours of the FFS A320 simulator, where all the mandatory maneuvers will be carried out according to the regulations to revalidate the licence.

ADDITIONAL INFORMATION

Special attention will be paid to the briefing, and de-briefing where the flight profile and the objectives of this session are carefully prepared. All the necessary considerations will be taken by the instructor in accordance with the learning objectives and competencies.

TRI / TRE with extensive experience in airlines.
