SFI / TRI A320 PROGRAM

The course is designed to train the SFI / TRI applicant in acquiring the theoretical knowledge, simulator instruction and flight to teach as a generic instructor.

It consists of applied teaching and learning techniques, based on the competencies described in FCL.920 and its AMC 1.

ENTRY REQUIREMENTS

SFI REQUIREMENTS

- Holder of a CPL or ATPL licence
- 1,500 hours as a pilot in multi-pilot aircraft.
- Have completed in the last 12 months as a pilot or observer in A320 3 sectors en-route or 2 LOFT flights of 2 hours each between two different airports in simulator.

TRI REQUIREMENTS

- Holder of a CPL or ATPL licence.
- Class 1 Medical Certificate
- PBN certificate
- ICAO English Certificate
- 1,500 hours as a pilot in multi-pilot aircraft.
- Have completed in the last 12 months 30 sectors as an A320 pilot.

THEORETICAL PHASE

Structured program in two different phases:

- Module 1:
 - Teaching & Learning 30h.
- Module 2:
 - Relevant Technique 10h.

SIMULATOR PHASE

- Each profile will be analyzed to determine the number of simulator sessions required based on the chosen TRI or SFI course and the number of applicants to the program 1 or 2 pilots.
- Total of 10h of FFS Level D A320 common for all courses.
- For those TRI programs, 2h of FFS A320 verification will be required.
- For those SFI programs, 3h of FFS A320 verification will be required.

ADDITIONAL INFORMATION

Special attention will be paid to the briefing and de-briefing where the flight profile and the objectives of this session are carefully prepared. All the necessary considerations will be taken by the instructor in accordance to the learning objectives and competencies.

TRI / TRE with extensive experience in airlines.

FFS A-A320 Level D in FBS and FFS mode.

We provide all the necessary study material and content.

PRICE

Variable price from €6.583 to €12.834 depending on the previous experience of each candidate, and whether the program is for one pilot or for two pilots.
