A330 REVALIDATION PROGRAM

A330 Revalidation program is aimed at those pilot candidates who wish to renew their A330 type rating on their licence before reaching the maximum validity date. We offer this program with two hours of verification with an examiner included in the A330 Level D FFS simulator.

It is important to keep all the documentation of a pilot up to date, and always be prepared for a new professional opportunity.

REQUISITOS DE ENTRADA

- ASA Commercial Pilot Licence with A330 Rating
- PBN certificate
- ICAO Level 4 English Certificate
- Class 1 Medical Certificate

SIMULATOR PHASE

- 1 FFS Level D A330 simulator session

This session consists of 2 hours of the FFS A330 simulator, where all the mandatory maneuvers will be carried out according to the regulations to revalidate the licence.

INFORMACIÓN ADICIONAL

Special attention will be paid to the briefing, and de-briefing where the flight profile and the objectives of this session are carefully prepared. All the necessary considerations will be taken by the instructor in accordance with the learning objectives and competencies.
