# AIRLINE TRANSPORTATION PILOT THEORETICAL MODULAR

## REQUIREMENTS

- Minimum age: 18 years.
- Valid ID or Passport
- Holder of a Commercial Pilot Licence (CPL) or Private Pilot Licence (PPL).

## AIM

This course is aimed at candidates with a Private Pilot Licence (PPL) or Commercial Pilot (CPL) who wish to progress in their career as pilots in the aeronautical industry and aspire to be future Commanders of the Passenger Transport Airline (ATPL), or for those pilots with an ICAO licence who wish to obtain their EASA licence.

## DURATION

The approximate duration of the course is 8 to 12 months, always depending on the availability of the students.

## DEVELOPMENT

The ONLINE modality can be started at any time the student wishes, always establishing an academic calendar together with the Director of Theoretical Studies CTKI.

A training theoretical schedule will be established, which, where appropriate, can be modified with prior notice, according to the needs of the student-pilot.

WORLD AVIATION FLIGHT ACADEMY reserves the right prevent the student-pilot from taking the exams if it considers that the student-pilot is not empowered enough.

## THEORETICAL TRAINING

The course consists of the following subjects:

- Air legislation
- General knowledge of the aircraft
- Instrumentation
- Loading and Centering
- Performance
- Flight Planning and Control
- Human factors
- Meteorology
- Navigation
- Radionavigation
- Operational procedures
- Principles of flight
- Communications
- KSA - 100 (knowledge, skills and attitudes)

During the course, all student-pilots will have access to the WORLD AVIATION FLIGHT ACADEMY Intranet and the use of virtual programming.

## TESTS

### THEORETICAL TEST

The examinations for theoretical knowledge for FCL Licences and Ratings are those established by the Community Regulations of the Commission on obtaining flight crew licences in accordance with the EASA and AESA requirements for obtaining flight licences.

The student must obtain a score of at least 75% in multiple choice exams in the 13 subjects.

The exams may be carried out at the centers in, Madrid, Barcelona and Palma de Mallorca within the established calendar.

## OBTAINED QUALIFICATION

- **ATPL Air Transportation Pilot Licence.**

## THE COURSE INCLUDES

- Internal theory exams.
- Access to the internal programming platform.
- Question bank with 12-month access for official exam preparation.
- Briefing & DeBriefing.
- Didactic material.

## THE COURSE DOES NOT INCLUDE

Examination fees.

The additional theoretical or flight training that the student-pilot may require for their correct preparation, during the development of the course.

## FURTHER INFORMATION

WORLD AVIATION FLIGHT ACADEMY provides theoretical training in both English and Spanish. The theoretical exams for this training are in English.

## PRICE OF THE COURSE

ATPL (A) ON-LINE 3.200€

\*Check payment methods.
