

**WORLD AVIATION**  
**FLIGHT ACADEMY**

**FI (A)**

**FLIGHT INSTRUCTOR**

## REQUIREMENTS

- Valid Private Pilot Licence (PPL/A) or Commercial Pilot Licence (CPL/A).
- Class I or II Medical Certificate (depending on the licence).
- 30 hours in single-engine piston aeroplanes of which:
  - 5 in the last 6 months before the entry test.
  - 20 Cross-country hours.
- Take a flight test with an Instructor from the School.

## OBJETIVE

The Airplane Flight Instructor Rating FI(A) enables the holder to give theoretical and flight instruction to student pilots undertaking the Private Pilot (PPL/A) course and/or the and/or the Commercial Pilot (CPL/A) course (provided the necessary requirements are met).

## DURATION

- **Theoretical training:** The estimated duration of the theoretical course is 7 weeks.
- **Practical training:** The estimated duration of the practical training is 1 to 5 weeks.

**TOTAL: 12 weeks.**

## DEVELOPMENT

The IF training course is divided into 3 parts:

1. Teaching & Learning course.
2. Refresher theoretical instruction.
3. Flying instruction.

## TRAINING CENTER

MADRID - CUATRO VIENTOS / Madrid Cuatro Vientos Airport.

## THEORETICAL & FLIGHT TRAINING

### THEORETICAL TRAINING

- 25 hours - Teaching & Learning.
- 100 hours - Teaching Programme to refresh knowledge of the subjects of the Private Pilot syllabus + Theoretical aircraft course.
- Theoretical Test (Classroom Presentation).
- Practical Training.

### PRACTICAL TRAINING

- 30 hours of flight (Dual) - (in which the student acts as an Instructor teaching the Instructor).
- Flight Test (With Examiner).

### NOTE

All practical training hours are REAL flight hours.

## QUALIFICATION OBTAINED

- Airplane Flight Instructor FI(A).

## INCLUDED IN THE COURSE
